U.S. DEPARTMENT OF JUSTICE

Dear Sir:

This letter is to advise you that I am totally opposed to the proposals made to reduce postal services, such as eliminating air mail, closing post offices, and raising prices.

The United States Postal Service is an institution that we, as citizens of this wonderful country, depend on. The changes that have been made within the last year have had a negative effect on the country and have resulted in live animals dying while in transit because of the backlogs. That is unconscionable.

Your services used to be dependable and were always appreciated. I want a return to the excellent standards that you have traditionally upheld in the past.

Thank you for your attention to this matter.

Yours truly,

Carol Makowski
